

About Us

NVI is a nationwide ISO 9001:2015 industrial solutions provider conducting business along the United States Gulf Coast since 2004. From our executive management team to our certified team of technicians, surveyors, and inspectors, NVI can provide an array of services, 24-hours a day, 365-days a year.

Members of the NVI Marine Consulting & Services Division have more than 180-years of combined experience in handling day-to-day operations and completely understand how down time effects the bottom line. NVI is a member of Petroleum Education Council (PEC), Avetta, Veriforce, DISA, NCMS, OQSG, RINA, ISNworld (ISN), NAMS, ABS, DNV, BV and Lloyds Register.
