

Sponsorship Request Form

NVI, LLC would like to thank you for reaching out to us for support. To request a contribution for a fundraising event or sponsorship, please see NVI, LLC's guidelines below. If the organization and/or event meets our requirements, please provide the requested information below.

Please consider that NVI receives a large volume of contribution requests, so our current sponsorship obligations are extensive. For this reason, not all requests will be granted.

Standards

- Product donations may be given in the form of equipment, service, or monetary contributions. Monetary contributions are generally set aside for key charities.
- All forms should be submitted at least 4 weeks prior to the fundraising event or from the date the items are needed.
- A cover letter on the organization's letterhead should be submitted along with the completed sponsorship request form.
- All requests are considered, but donations are not guaranteed.
- Granted donations will be answered within 1-2 weeks of receipt. Prior non-granted submission will not affect consideration for sponsorship.

Please answer all the questions below:

Note: All standards must be met, and the form must be accurately, filled out completely. If the form is incomplete, the application will not be processed.

If your sponsorship is fulfilled, a company representative will contact you confirming your request.
